-  **Playing Fields**
-  **Demolition & Asbestos Removal Contracts**
-  **Design & Construct Civil Works**
-  **Aggregate stone & concrete supply**

Other Specialist works include:

-  **Concrete Repair**
-  **Waterproofing to structures / buildings**
-  **Natural stone construction**
-  **Reinforced Earth Structures**
-  **Directional Drilling / Trenchless Technologies**
-  **Pipe Jacking & Tunnel Boring**
-  **Soil Nailing & Rock Anchors**
-  **Guniting & Grouting**

COMPANY VALUES

At Deane Public Works, we strive to achieve Construction Excellence by delivering projects to budget, on time, defect free and exceeding expectation but never at the expense of quality and craftsmanship.

We are firmly committed to working in partnership with all Clients and operate a 'can do' attitude in all our operations. Deane Public Works strive at all times to deliver the optimum return for both Clients and ourselves in a spirit of mutual respect and understanding through collaborative working.

Our vastly experienced Senior Management Team always offer a Professional approach.

Core Values for our Company:

- ❖ **Quality Product**
- ❖ **Professional / Personal Service**
- ❖ **Value For Money**
- ❖ **Construction Time Predictability**
- ❖ **Innovation / Value Engineering**
- ❖ **Construction Excellence**

TENDER CAPABILITIES

Deane Public Works acts as Principal Contractor. However, we also have extensive experience of working with companies in Joint Ventures and Consortiums for Contracts.

Our Company has a number of key Strategic Alliances and Partnerships in place for tenders that either require Consortium bids or specialist expertise including M&E/Process, Remediation & Environmental, Structural Steelwork, Asbestos Removal etc...

We have the experience, expertise, management skills, resources, technical and procedural knowledge required to successfully manage contracts. We believe that we can provide best value for money competitive tenders or supply chain prices for contracts in comparison to our competitors.

Deane Public Works Ltd. has extensive working knowledge and experience of local supply chains, ground conditions, waste dumps and recycling sites throughout NI and ROI etc... In addition to that we also have two fully licensed and registered NIEA Waste facilities in N. Ireland for waste disposal.
